I was born and raised in Geraldton and am a lawyer for a local not-for-profit. As a local I am passionate about the future of our entire region, from Greenough to Mullewa.

As a community lawyer, I regularly advocate for the voices and interests of members of our community. I'm always willing to listen and will use my advocacy skills to represent your opinions and interests in council decision-making.

As a Councillor I will work to minimise rate increases and deliver value for money to ratepayers. I will support **affordable** initiatives that help to; support local business, encourage renewables, reduce youth antisocial behaviour, reduce homelessness, and encourage development, tourism and investment.

I would greatly appreciate your support and the opportunity to serve our communities. Your vote will get you a hard working councillor who cares about the future of our region & makes evidence-based decisions for the best of the entire Greater Geraldton region.
