Candidate name	James Makepeace CREGAN
District	City of Greater Geraldton
Nominating for	Councillor for City of Greater Geraldton
Election type	Ordinary
Enrolment status	CREGAN, Jim is eligible to stand for election as a resident of the City of Greater Geraldton.

I live in Beachlands with my wife, Sandra, and an old dog called Solomon. Geraldton is at an exciting stage of development, as it transitions from a country town to a mature, vibrant city. Much good work has been done, but there is much more to do. Having worked in senior administrative and leadership roles in education, as well as in horticulture and landscape design, I believe I can help deliver the best outcomes of the Community Strategic Plan. Amongst my priorities, I will:

Insist on financial accountability and transparency.

Advocate for expanded policies of inclusion and access for the disabled and aged communities of the Geraldton region.

Support a balanced approach between appropriate development and the preservation of the built and natural environments.

Support and advocate for the region's rich cultural and artistic heritage and increasing diversity of artistic expression.
