Geraldton is a fantastic place to live and that is why, for the past 23 years, we have called it home! We love Geraldton's lifestyle, in addition to the many benefits a close-knit community like Geraldton offers. My family and I are heavily involved in this local community, donating both time and energy to ensure that the City of Greater Geraldton continues to thrive. We feel that community involvement is such an important element of what makes a place continue to grow. Whilst we feel Geraldton has grown immensely over the past 23 years, it still has huge potential to continue delivering tangible benefits to the community.

I am proud to say that I have been an active Councillor for the City of Greater Geraldton for the past 10 years. Council is the collective voice for the community - it is important to vote the 'right' people into Council, and I feel that I am the 'right' person to be elected for another 4 years. Thank you for your past support.
