WALGA Training (RTO 51992)

This qualification will give individuals the opportunity to expand their skills and knowledge through developing a deeper understanding of legislative and regulatory requirements and how they apply to the roles and responsibilities of an Elected Member.

The Diploma explores a wide range of topics such as financial reports and budgets, dealing with conflict, community leadership and advocacy, strategic decision making, policy development, asset management and understanding land use and local planning schemes.

The training program will enable Elected Members to increase their competency in order to be a strong leader for their local community and to confidently contribute to informed decision making.

The qualification has been developed according to the requirements of the Local Government Training Package (LGA) and has been approved for delivery by the Training Accreditation Council (TAC).

The Diploma of Local Government – Elected Member is nationally recognised within the Australian Qualification Framework (AQF) and consists of 10 Units of Competency (UoC), six (6) core and four (4) elective units.

The training program is delivered in practical Face to Face workshops at WALGA's premises in West Leederville. To make training more accessible for regional areas, some workshops are available via ZOOM or in some instances, individual organisations may engage a WALGA Trainer to deliver a workshop at your Local Government.

Each participant will be provided with an individualised Training and Assessment Plan outlining all training and assessments requirements for each Unit of Competency.

The recommended time frame to complete the Diploma course is a duration of 12 months. Learners can opt to extend this duration to 18 months or fast track the course to complete earlier.

Training and Assessment Plan

Upon receiving a completed enrolment form, the WALGA Training team will email applicants a Letter of Offer with an individual Training and Assessment Plan. The proposed training schedule will take into consideration your time commitments (work, family and Council duties), your location, our workshop schedule and your availability to travel and attend training at WALGA.

The training for each Unit of Competency (UoC) includes 7 topic specific intensive workshops followed by mentoring sessions via ZOOM to deepen your understanding and to prepare you for each individual assessment task.

Each UoC has a set of individual assessment tasks, requiring approximately 15 hours of reading, research and completing each task. Assessments must be submitted at the listed due date in the Training and Assessment Plan, generally within four (4) weeks of completing the relevant face to face workshop.

Training and Assessment Methods

Typically, the training methods used will include presentations, discussions, demonstrations, individual and group activities, case studies and simulated scenarios or research activities. Assessment methods to be used include knowledge assessments, project work, scenarios, case studies, reports and research tasks.

Most assessments tasks relate directly to your Local Government, and you will require access to policies and procedures, meeting minutes and informing strategies. It is recommended to seek support from your CEO.

“For anyone considering completing the Diploma, I highly recommend it. Not only will you gain a greater understanding of your role in Local Government, but also enjoy networking and forming friendships with Elected Members from across WA.”
