

Candidate Details

Ballot paper name	BERTELSEN, Ron
Candidate name	Ronald Aksel BERTELSEN
District	City of Greater Geraldton
Nominating for	Councillor for City of Greater Geraldton
Election type	Ordinary
Enrolment status	BERTELSEN, Ron is eligible to stand for election as a resident of the City of Greater Geraldton.

I was born and raised in Geraldton and now proudly raise my family here, giving me a lifelong connection to this community. This belonging is why I am standing for council for the fourth time. I believe persistence is vital, and I want to show my children that when you believe in something, hurdles should not stop you. I work two jobs one in community services and one self-employed in transport while also serving on the board of a local not-for-profit. These roles keep me grounded in the issues that matter most to residents: fair value for rates, the return of verge-side pickups, youth opportunities, homelessness, and protecting our environment. If elected, I will bring dedication, industry, and a practical understanding of local concerns to every decision, always putting Geraldton residents first.
