Your Voice for a Safer Geraldton

I'm Tim Milnes, clinical psychologist and lawyer, in Geraldton 18yrs, raising four children with my wife, a Walkaway Primary teacher.

With 20 yrs clinical practice including youth justice, courts and corrections, I understand our crime problem. As Liberal candidate, I heard your frustration about criminals facing no consequences.

As your councillor, I'll fight for your safety through better lighting, ranger services and advocacy to state government for judicial reform. I'll prioritise our roads and bike paths, support planning for our businesses, advance the jetty we deserve, eliminate waste of our rates and keep costs down. I'll be your voice for better health and training services.

From sporting clubs to school events, I know what matters to you. You'll find me at community gatherings year-round, ready to listen and act on your concerns.

I'll bring energy, expertise and fiscal responsibility to deliver for you.
