Councillor for City of Greater Geraldton

Election type

Ordinary

Enrolment status

VAN STYN, Shane is eligible to stand for election as a resident of the City of Greater Geraldton.

For 8 years I served as the Mayor of Geraldton and demonstrated an ability to focus Council on core local government functions, promote Geraldton, inspire investment and deliver financial responsibility.

As a CPA accountant and former Mayor, I am acutely aware of the challenges in the current economy, but I am also aware of the need to promote our City, and propel responsible growth.

In the last two years that I have not been on Council, I have got married, become a father and created a new small business. I am now keen to return to Council to deliver on my record of good local government.

As a Councillor I will deliver real time, open communication with residents and be highly visible and approachable in our community.
