Nominating for

Councillor for City of Greater Geraldton

Election type

Ordinary

Enrolment status

REYMOND Michael is eligible to stand for election as a resident of the City of Greater Geraldton.

Please vote for me to represent you on Council to keep rates down, improve community safety and improve our sporting and community facilities.

Geraldton is a fantastic place to live with a great community spirit and an enviable lifestyle. I want to see that continue to improve and expand. I want our city and surrounding districts (Mullewa and Walkaway) continue to have a prosperous and vibrant future; where families, children and our elderly can live happily and safely.

I know how important it is to ensure you are consulted and involved in decision making. Voting for me will ensure you will have a strong voice and advocate in Council representing your opinions and concerns.

I want to ensure that State and Federal governments support our City's health, safety, education, housing and infrastructure needs.

I will ensure Council positively and pro-actively supports and assist all business.

I aim to ensure we maintain an efficient, financially responsible and operationally responsive Council.
