In regards to our venue we propose to turn our hayshed into a reception area as a venue hire for the likes of weddings and other events. Working on 100 people (anymore and extra toilets are to be hired)our carpark is 60m x 30m with an over flow parking in a 10 hectare paddock. Wedding hours will be 12pm to 12am, we propose to have a kitchen that is a heat and serve kitchen. Basically we will be primarily a venue hire only.

~~If there is anything else you require please let me know~~

~~Kind Regards~~
