

Mr Ross McKim
Chief Executive Officer
City of Greater Geraldton
PO Box 101
GERALDTON WA 6531

Dear Mr McKim,

Cost Estimate Letter: 2025 Local Government Ordinary Election

As you are aware, the next local government ordinary election will be held on 18 October 2025. This letter is your Cost Estimate for the Western Australian Electoral Commission to conduct your election, should you proceed with making a declaration under the *Local Government Act 1995* for us to do so.

Cost Estimate

The Commission has estimated the cost to conduct your Council's election in 2025 as a postal election at approximately \$173,036 (ex GST).

This cost has been based on the following assumptions:

- The method of election will be postal;
- 4 Councillor(s) vacancies;
- 30100 electors;
- response rate of approximately 35%
- appointment of a local Returning Officer; and
- count to be conducted at your office using CountWA.

If any of these assumptions are not correct, please contact us and we can provide a new cost estimate.

Cost Methodology

To provide your estimate, the Commission has estimated the costs of all aspects of the election, from supply of materials to staffing costs. For the 2025 Local Government elections, we have applied the following apportionment across the State:

For individual local Governments the exact apportionment of costs may differ slightly from the above, as the cost categories are determined by applying the following variables:

- Envelopes, Printing and Postage, and WAEC Costs are determined by the number of electors in your Local Government;
- Processing and Results is determined by the expected response rate for your election; and
- Returning Officer Costs are determined by the complexity of the election for the Returning Officer; we classify Local Governments into bands depending on a number of factors including number of Wards, number of vacancies and the number of candidates, and then we pay our Returning Officers a rate which reflects this band.

Estimated Cost of 2025 Local Government Elections

The Commission estimates that the total cost of conducting the Local Government Elections across Western Australia in 2025 will increase by \$1.3 million, compared to 2023. The key drivers for this cost increase are as follows:

- a 45% cost increase from Australia Post, comprising of a 25% increase which came into effect in March 2024, and an additional 20% proposed increase currently being considered by the Australian Competition and Consumer Commission, which if approved will take effect in July 2025; and
- a 9% increase in the salaries paid to Returning Officers as required by the Public Sector CSA Agreement 2024.

Variations to the final costs for your Council

In accordance with the *Local Government (Elections) Regulations 1997*, the Commission conducts elections on the basis of full accrual cost recovery. This means that should the actual costs incurred to conduct the election be less or greater than what we have estimated, the final cost may differ from the cost estimate you have been provided.

Whilst we aim to keep additional costs at a minimum wherever possible, the following are examples of where cost increases may arise:

- If a Returning Officer is selected that is not local to your area;
- If you elect for Australia Post Priority Service for the lodgement of your election package;
- If casual staff are required for the issuing of Replacement Election Packages;
- If casual staff are required to assist the Returning Officer on election day or night; or
- Unanticipated cost increases from our suppliers.

We will endeavour to keep you informed of any unanticipated cost increases as they are incurred during the election.

Service Commitment

The Commission is committed to conducting elections impartially, effectively, efficiently and professionally. Following each election event, we review our performance and identify ways to improve our service delivery.

The Commission acknowledges that during the 2023 Local Government Ordinary Elections, the results for many Local Governments were delayed. Since this time we have improved our Count Processes, and as demonstrated through extraordinary elections conducted in 2024, we are now able to finalise our results more quickly whilst still retaining accuracy and integrity.

If you have any suggestions for improvements we can make to deliver your election, your feedback is welcome at all times.

Next Steps

Should you wish to accept this cost estimate and proceed with the Electoral Commission undertaking this election, there are specific steps that must be taken under the *Local Government Act 1995*. These steps are summarised in the attached flow chart (Attachment A).

As outlined in the flow chart, if you accept this Cost Estimate then please advise of us this in writing, so that we can issue a Written Agreement letter. Both the Cost Estimate letter, and the Written Agreement letter then need to be taken to Council for a decision.

If you have any queries, please contact lgelections@waec.wa.gov.au .

Yours sincerely,

Robert Kennedy
ELECTORAL COMMISSIONER
