Successful applicants will be required to supply their final exhibition images numbered in order of installation. If artwork images are not labelled according to installation order, you grant the City permission to install your artwork in random order.

We recommend dedicating Lightbox #1 as an Exhibition Didactic, containing artist information, and directing the community to purchase your works and to find out more about you. You may supply your own artwork for this Didactic, or the City will create a didactic for you based on the Post Office Lane Lightbox Gallery Exhibition Didactic Template.
