Australian Government

Funded with the assistance of the Australian Government
Department of Climate Change and Energy Efficiency.

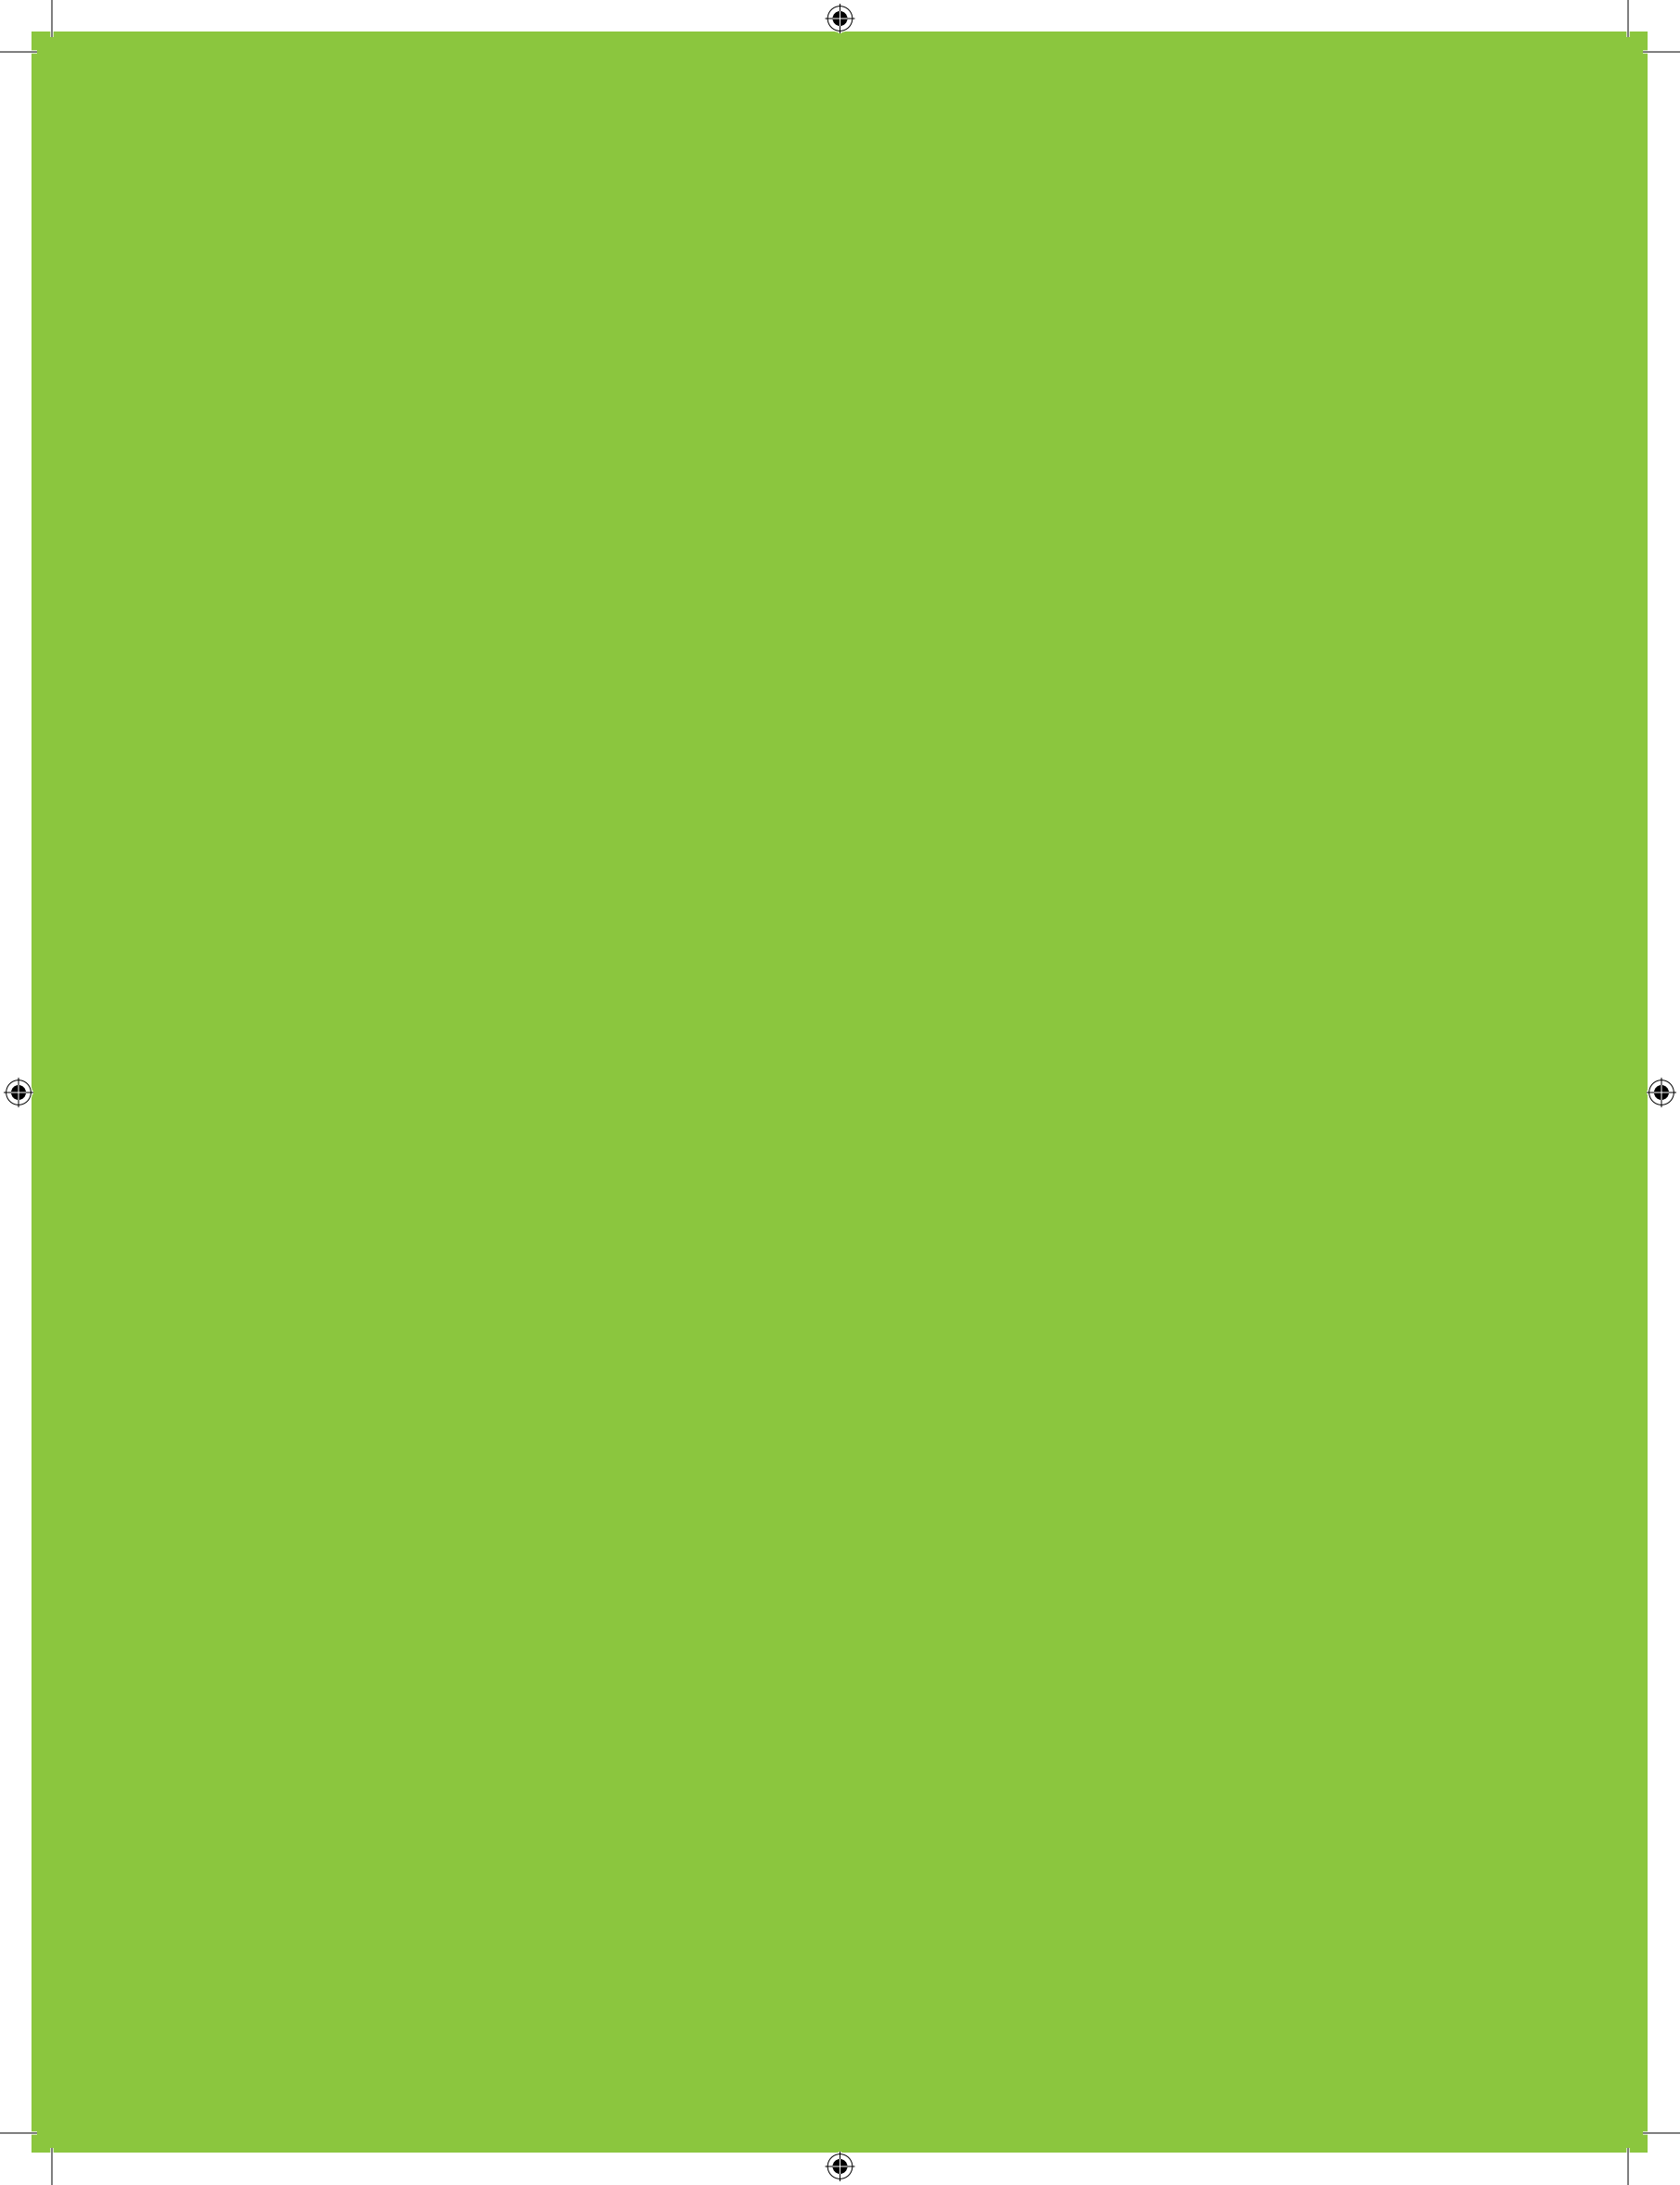

A tall, rusted metal windmill structure stands in a field under a clear blue sky. The windmill has a lattice tower and a large, circular fan with many blades. The ground is dry and grassy, with a few trees in the background.

Appendix A Summary of Stakeholder Issues

A large, leafless tree stands in a field under a blue sky. The tree is the central focus, with its bare branches reaching out. The ground is covered in dry grass, and a small body of water is visible in the background. The sky is a clear, deep blue with a few wispy clouds. The overall scene is one of quiet solitude and resilience.
