### 4. AGENCY UPDATES

Roadwise Officer – Samantha Adams

- Funding – Sam will be advised when future funding available for Roadwise.
- Presentation given by Sam – WALGA Roadwise Program – Road Safety Performance Reports – Local Government Roads 2014 – 2018.
- Presentation on crash statistics to provide the Committee why Roadwise look at crash statistics.
- Chris Lee raised the question as to what Roadwise plan to do with these statistics. Sam advised that it would assist in providing education to the community regarding road accidents and safety.
- Lengthy discussion took place as to the purpose of the Committee and where to go from here.

Catherine Dumont suggested having one primary school as a school that promoted and encouraged road wise safety which included walking to, parking further from the school, to not only lessen congestion, but for fitness purposes. Roadwise to possibly work with school P & C committees?

**ACTION: Need to have more community input within the Committee.**

City of Greater Geraldton – Chris Lee

- No Issues – Maitland/Durlacher finished.
- Cathedral/Sanford currently in progress – no issues.

Main Roads WA – Sarah Page

- Sarah suggested that the Committee needs to be community driven which could be achieved through local schools with education on road safety etc.
- Reported that Johnson Street in Utakarra, Main Roads had installed new lighting.
- Brand and Barratt road works have commenced and should be completed in June.
- All other works in after care for now.
- Main Roads and Department of Transport will be located in the same offices in Edward Road soon.

RUKPA – Corrine Bull

- Corrine reported that due to footage taken of speedsters around the Rangeway/Karloo area – 2 vehicles have been seized.
- Champion Bay SH parking issues – advised that these are school issues.
- Investigation – possibility of a roundabout near Champion Bay SH at Assen, Scott and Highbury Streets.
- Thank you to Sam for fund raising event – child car restraint fitters.

CWA – Veronica Malone
